Core Competencies

Impact Landscaping provides customers with reliable year-around landscape maintenance and improvements from small residential single family homes to condominium and apartment complexes up to five acres in size. Impact Landscaping provides three services to assist homeowners and business alike:

- **Traditional Year Around Maintenance**
 - Weekly and bi-weekly lawn and garden maintenance tailored to the specific needs of the client
- **All Electric Lawn Care**
 - Weekly lawn service only operating for nine months of the year from Feb 15 until November 15
 - This service has zero emissions
 - Clients enjoy sub 75Db service preserving a quiet environment
- **One Time Landscape Improvements**
 - We provide one time service for mulch work and garden renovations
 - Impact Landscaping builds custom wooden fences

About Impact Landscaping
